Hi Doug

My apologies, I should have included you on the initial invite. I could not remember if you were a part of the team discussion on this issue. Fortunately, most of the invitees are able to attend the call tomorrow. If you are not available, Andrea and I will call you to discuss the issue further.  
Thanks in advance

Hi Nelson Tunnel team

ECEJ management would like to schedule a quick call to discuss a possible press release for the CoCa settlement. I've shared the teams concerns regarding the settlement but we would like to have another discussion regarding the pros/cons for issuing a press release.

This is the only time I could find this week that works for all of your schedules.  
Wendy/Jason, I do not have access to your calendars but I'm hoping this time will work.  
If this time does not work, please suggest other blocks of time this week or I will have a separate/follow up call with you all.

I found another opening on Monday, April 4th at 11:00, but the sooner we can discuss this the better.

Thanks in advance
